React Native

NEWSLETTER

Why sponsor the React Native Newsletter?

Sponsoring the newsletter not only gets your company in front of many high-quality React Native developers, but it also helps support the continuing curation and editing of the newsletter. The newsletter has 10,000+ subscriptions, ~42% open rate, and ~14% engagement rate for an average issue.

Sponsorships are paid to Infinite Red, Inc., a distributed design & development agency, based near Portland, San Francisco, and New Orleans. Infinite Red's team helps curate the newsletter along with others from the community.
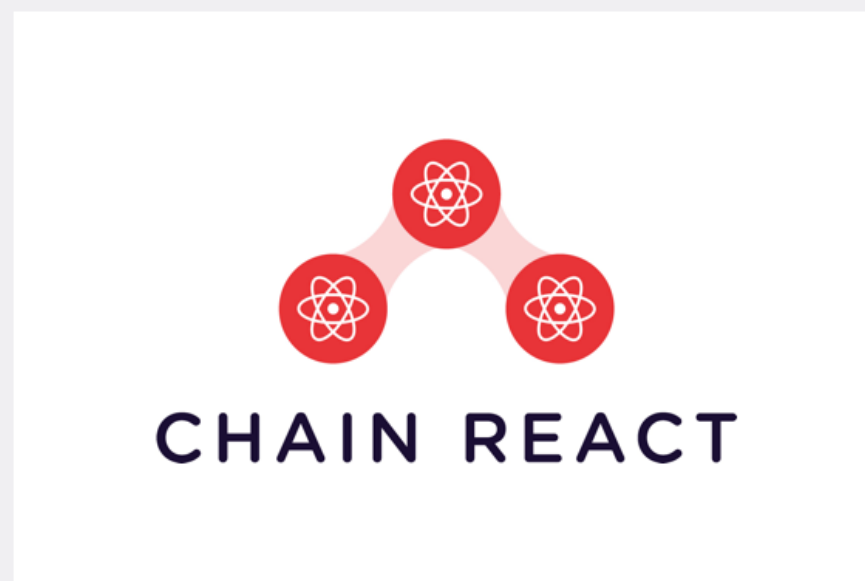

Sponsorship Packages

There are four sponsorships available per issue available on a first-come, first-serve basis. Sponsorships must be paid for in full upfront, are non-refundable, and non-transferrable. Sponsorships do not have to be consecutive, but desired dates must be listed at the time of purchase to be approved by Infinite Red.
